INDEPENDENT AUDITORS' REPORT

Report on Financial Statements

I have audited the Balance Sheet, Statement of Revenues and Expenditures, Debt Statement, and Statement of Capital Expenditures and Employee Compensation included in the accompanying special purpose Commonwealth of Pennsylvania Annual Audit and Financial Report (special purpose financial report) of the Borough of Munhall, Allegheny County, Pennsylvania as of and for the year ended December 31, 2019, and the related notes to the financial statements, which collectively comprise the Borough's basic financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of this special purpose financial report in accordance with the accounting practices and procedures prescribed by the Commonwealth of Pennsylvania's Department of Community and Economic Development (DCED), which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Borough's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Borough's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting principles used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

İ

Opinions

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

The Schedules are prepared by the Borough of Munhall on the basis of the financial reporting provisions prescribed or permitted by the DCED in the instructions to the Annual Audit and Financial Report to demonstrate compliance with the DCED's regulatory basis of accounting and budget laws, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of the DCED. These requirements permit the Schedules to be prepared on the cash basis of accounting without the presentation of the management's discussion and analysis, the government-wide financial statements, and certain financial statements disclosures required by accounting principles generally accepted in the United States of America.

The effects on the Schedules of the variances between the regulatory basis of accounting described above and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In my opinion, because of the significance of the matter discussed in the Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles paragraph, the Schedules referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of each fund of the Borough of Munhall as of December 31, 2019, or changes in financial position or cash flows thereof for the year then ended.

Opinion on Regulatory Basis of Accounting

In my opinion, the Schedules referred to above present fairly, in all material respects, the assets, liabilities and fund equity of the Borough of Munhall as of December 31, 2019, and its revenues, expenditures and other financing sources and uses for the year then ended, in accordance with the financial reporting provisions prescribed or permitted by the DCED described above.

Other Information

My audit was conducted for the purpose of forming opinions on the special purpose financial statements that collectively comprise Borough of Munhall's basic financial statements. The supplementary information is presented for purposes of additional analysis and is not a required part of the basic financial statements.

The supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records use to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the supplementary information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Report on Other Legal and Regulatory Requirements

This report is intended solely for the information and use of the governing body and management of the Borough of Munhall and for filing with the various local and state departments or offices and is not intended to be and should not be used by anyone other than these specified parties.

Sincerely,

Mark C. Turnley, CPA

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

REPORTING ENTITY

The Borough of Munhall was incorporated under the provisions governing the creation of municipal corporations in the Commonwealth of Pennsylvania. Members of Borough Council are elected by the voting public. These Council members have complete authority over the operations and administration of the Borough's activities. The major functions of the Borough include public safety, maintenance of Borough infrastructure (roads), maintenance of parks and other recreational facilities for use by Borough residents and general administrative functions necessary to facilitate Borough resident needs and responsibilities.

A reporting entity is comprised of the primary government, component units and other organizations that are included to ensure the financial statements are not misleading. The primary government of the Borough of Munhall consists of all funds, departments, boards and agencies that are not legally separate from the Borough. As defined by generally accepted accounting standards, component units are legally separate entities that are included in the Borough's reporting entity because of the significance of their operating or financial relationships with the Borough. Based on the application of these criteria, the Borough of Munhall has no component units.

FINANCIAL STATEMENT PRESENTATION

The accompanying 2019 Municipal Annual Audit and Financial Report (special purpose financial report) was prepared in conformity with the accounting practices and procedures prescribed by the Commonwealth of Pennsylvania's Department of Community and Economic Development (DCED), which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. The accounting practices and procedures of the DCED permit the preparation of the special purpose financial report without certain financial statement note disclosures, management's discussion and analysis, full-accrual government-wide statements, modified accrual financial statements, and budget to actual statements, as required by accounting principles generally accepted in the United States of America. The effects on the special purpose financial report, as a result of the differences between the DCED accounting practices and procedures and accounting principles generally accepted in the United States of America, are not reasonably determinable. The most significant of the Borough's accounting policies are as follows:

FUND ACCOUNTING

The Borough uses funds to report on its financial position and the results of its operations during the year. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain Borough functions or activities. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts. Funds utilized by the Borough of Munhall are classified into two categories: governmental and fiduciary. Fund categories are defined as follows:

<u>Governmental Funds</u> – Governmental funds focus on the sources, uses and balances of current financial resources. Expendable assets are assigned to the various governmental funds according to the purposes for which they may or must be used. Current liabilities are assigned to the fund from which they will be paid. The difference between governmental fund assets and liabilities is reported as fund balance. The following are the Borough's governmental funds:

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

FUND ACCOUNTING (Continued)

GENERAL FUND - Established under 'The Borough Code' of the Commonwealth of Pennsylvania and is used for the general operations of the Borough. Income in this fund is derived mainly from assessed revenues such as real estate taxes, local taxes established under Act 511, and other miscellaneous revenues not designated for other restricted fund purposes. These revenues are used for general ongoing government services such as public safety, public works, general administration of the Borough and other miscellaneous operating expenses.

<u>HIGHWAY AID FUND</u> (SPECIAL REVENUE) - Established and restricted under Act 655 of the Commonwealth of Pennsylvania. Funding is received from the Commonwealth and is restricted in use for the maintenance, repair and construction of roads, streets and bridges for which the Borough is responsible.

FIRE EQUIPMENT MAINTENANCE FUND (SPECIAL REVENUE) - Established to account for the proceeds of grants from the Department of Community and Economic Development (DCED) or other funding sources earmarked for the purpose of acquiring and/or maintaining fire related equipment utilized in connection with the Borough's public safety operations. This Fund maintained a deficit fund balance of \$29,166 as of December 31, 2019.

PROJECT LIFESAVERS FUND (SPECIAL REVENUE) - Established in 2013 to account for public donations earmarked to assist the Borough's public safety operations with tracking the whereabouts of special needs individuals for their protection and overall safety.

<u>POLICE DEA FUND</u> (SPECIAL REVENUE) - Established to account for funds received by the Borough's police department from the Department of Justice for allowable public safety related expenditures as outlined in an Equitable Sharing Agreement between the Borough and Department of Justice.

<u>Fiduciary Funds</u> – Fiduciary fund reporting focuses on net position and changes in net position. The fiduciary fund category is split into four classifications: pension trust funds, investment trust funds, private-purpose trust funds and agency funds. Trust funds are used to account for assets held by the Borough under a trust agreement for individuals, private organizations, or other governments and are therefore not available to support the Borough's own programs. Agency funds are custodial in nature and do not involve measuring income or any other results from operations. The Borough has three pension trust funds - police and non-uniform defined benefit pension plans, and a non-uniform defined contribution plan. The Borough has one agency fund – fire escrow fund.

ACCOUNT GROUP

In addition to the aforementioned funds, the Borough maintains one account group: General Long-Term Debt Account Group. The account group is used to account for long-term liabilities to be financed by governmental funds. This account group reports only the unmatured principal of the debt issued.

BASIS OF ACCOUNTING

Borough of Munhall utilizes the cash basis of accounting. Under this method revenues are recorded when cash is received rather than earned. Expenditures are recorded when the disbursement is made rather than when the obligation is incurred.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

BUDGETS

In December of 2018, Borough of Munhall adopted its 2019 annual budget for its General Fund totaling \$9,156,150 in accordance with the provisions of the Commonwealth of Pennsylvania Borough Code. The budget is prepared utilizing the cash basis of accounting. Budgetary transfers among various expenditure line items are performed as necessary and as approved by Borough Council. General Fund expenditures exceeded budgeted appropriations for the 2019 calendar year. All appropriations lapse at the end of each calendar year.

The Borough uses the following procedures in establishing this budgetary data:

- a. In accordance with the Borough Code, beginning at least 30 days prior to the adoption of the budget, which shall not be later than December 31, a proposed budget for the ensuing year shall be prepared. The proposed budget shall be kept on file with the Borough and made available for public inspection for a period of ten days. Notice that the proposed budget is available for inspection is published in a newspaper of general circulation. After expiration of the ten days, Council makes such revisions in the budget as deemed advisable and shall adopt the budget by motion.
- b. Transfers of budget amounts are authorized between departments within any fund. However, any revisions that alter the total appropriations of any fund must be approved by the Council.

CASH AND INVESTMENTS

Cash and investments for the Borough's governmental funds include amounts in demand deposit accounts. The Borough's fiduciary fund investments include amounts invested with PNC Institutional Investments and Nationwide (mutual funds and government-backed securities). Investments are recorded at fair value. Provisions of the Borough Code authorize the following investments:

- I. U.S. Treasury Bills.
- **II.** Short-term obligations of the United States Government of its agencies or instrumentalities
- III. Deposits in savings accounts, time deposits and share accounts of institutions insured by the Federal Deposit Insurance Corporation (FDIC), Federal Savings and Loan Insurance Corporation and National Credit Union Share Insurance Fund.
- IV. Obligations of the United States of America, the Commonwealth of Pennsylvania or any political subdivision of the Commonwealth of Pennsylvania, or any of their agencies or instrumentalities backed by the full faith and credit of the governmental units.
- V. Shares of an investment company registered under the Investment Company Act of 1940, and registered under the Securities Act of 1933.
- VI. Any investment authorized by 20 Pa. C.S. Ch. 73 relating to fiduciaries investments.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

SHORT-TERM INTERFUND RECEIVABLES/PAYABLES

During the course of operations, numerous transactions occur between individual funds for goods provided or services rendered. These receivables and payables are classified as 'due from/to other funds' on the balance sheet.

CAPITAL ASSETS AND DEPRECIATION

The historical cost of fixed assets purchased by the Borough of Munhall is not accumulated, maintained and depreciated. Accordingly, the Borough does not maintain a General Fixed Asset Account Group.

PROPERTY AND EARNED INCOME TAX REVENUE

Property tax and earned income tax revenues are recognized based on the amounts levied to the extent collected during the year. Interest and penalty charges accrued on unpaid taxes are recognized as revenue when received.

TOTAL COLUMNS

Total columns in the 2019 Municipal Annual Audit and Financial Report are captioned "Memorandum Only" to indicate that they are presented only to facilitate financial analysis. Data in these columns do not present financial position, results of operations, or changes in financial position in conformity with accounting principles generally accepted in the United States of America. Neither is such data comparable to a consolidation. Interfund eliminations have not been made in the aggregation of this data.

Custodial Credit Risk:

For an investment, custodial credit risk is the risk that in the event of failure of the counterparty, the Borough will not be able to recover the value of its investments or collateral security that are in the possession of an outside party. The Borough's fiduciary fund investments in fixed income and equity securities, and mutual funds, are not exposed to custodial credit risk because their existence is not evidenced by securities that exist in physical or book entry form. The Borough does not have a specific policy that would limit its investment choices to those with certain credit ratings.

Credit Risk:

Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. The Borough has no formal investment policy for credit risk. The Plan is authorized to invest in legal investments permitted under the Pennsylvania Fiduciaries Investment Act. The Plan does have an investment policy with PNC Advisors specific to the allocation of investments.

Interest Rate Risk:

The Borough does not have a formal investment policy that limits investment maturities, other than a 60% limit on fixed income securities, as a means of managing its exposure to fair value losses arising from increasing interest rates.

Concentration of Credit Risk:

The Borough places no limit on the amount it may invest in any one issuer.

Fair Value Measurements:

The Borough of Munhall's fiduciary fund investments are reported at fair value within the fair value Hierarchy established by generally accepted accounting principles. This hierarchy *provides a* framework for measuring fair value which establishes a three-level fair value hierarchy that prioritizes the inputs to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable (level 3 measurements). The three levels of the fair value hierarchy are described below:

<u>Level 1</u> – Observable inputs that reflect quoted prices for identical assets or liabilities in active markets such as stock quotes

<u>Level 2</u> – Includes inputs other than level 1 inputs that are directly or indirectly observable in the marketplace such as yield curves or other market data

<u>Level 3</u> – Unobservable inputs which reflect the reporting entity's assessment of the assumptions that market participants would use in pricing the asset or liability including assumptions about risk such as bid/ask spreads and liquidity discounts.

The following schedule presents the Investments of the Borough by level within the fair value hierarchy:

FUNDING REQUIREMENTS

Act 205 (as amended) requires that annual contributions be based upon the Minimum Municipal Obligation (MMO), which is based on the Plan's biennial actuarial valuation. The MMO includes the normal cost, estimated administrative expenses and an amortization contribution of the unfunded actuarial accrued liability, less estimated member contributions, and a credit equal to 10% of the excess (if any) of the actuarial value of assets over the actuarial accrued liability. The State provides an allocation of funds (General Municipal Pension System State Aid Program) which must be used for pension funding. Any financial requirement established by the MMO which exceeds State and member contributions must be funded by the employer.

The plan's investment income was used to fund administrative costs. There are no long-term-term contracts for contributions as of December 31, 2019. In addition, there are no assets legally reserved for purposes other than the payment of plan member benefit.

<u>DEFINED CONTRIBUTION PENSION PLAN</u> – The Borough of Munhall provides eligible employees of the Borough a defined contribution (money purchase) pension plan. Plan assets are maintained by Nationwide. Currently, participant contributions are equal to 2% of compensation with a matching contribution from the Borough of Munhall of 10%. NOTE 8 - CONTINGENT LIABILITIES

LEGAL MATTERS

The Borough of Munhall, in the normal course of operations, is party to various legal matters normally associated with municipalities such as real estate tax assessment appeals, personnel wage and benefits, and other miscellaneous legal matters. The Borough is unaware of any pending claims or litigations that would be material to the financial position of the Borough of Munhall.

NOTE 8 - CONTINGENT LIABILITIES (Continued)

FEDERAL AND STATE FUNDING

The Borough of Munhall's state and federally funded programs, including its pension funds, are subject to program compliance audits by various governmental agencies. The audit scopes of these program compliance audits are different than the scope of financial audits performed by an outside, independent certified public accounting firm. The Department of the Auditor General of the Commonwealth of Pennsylvania conducted a compliance audit for each of the Borough's pension plans for the period January 1, 2016 through December 31, 2018, dated May of 2019. The results of those audits noted findings of noncompliance related to timely filing of required MMO deposits resulting in interest and penalties of approximately \$13,313. The Borough continues to be responsible to remedy the additional noted findings in these compliance audit reports. Management is not aware of any other material items of noncompliance which would result in additional interest and penalty costs.

The impact of the virus varies from region to region and from day to day, and any significant additional spreading of the virus could adversely affect the Borough of Munhall business. The outbreak of the COVID-19 virus is likely to have a further negative impact in 2020 on the global and local economy and, in the future, might impact the Borough of Munhall financial results in 2020 and beyond. Given the dynamic nature of this outbreak, however, the extent to which the COVID-19 virus impacts the Borough of Munhall results will depend on future developments, which remain highly uncertain and cannot be predicted at this time

_

Management has determined that there are no other events subsequent to December 31, 2019 through the September 27, 2020 date of the 'Independent Auditor's Report' date, which is the date the financial statements were available to be issued, that require disclosure in the financial statements.
