Borough of Munhall  
Allegheny County, Pennsylvania**

## **INDEPENDENT AUDITORS' REPORT**

### **Opinion**

I have audited the Balance Sheet, Statement of Revenues and Expenditures, Debt Statement, and Statement of Capital Expenditures and Employee Compensation included in the accompanying special purpose Commonwealth of Pennsylvania Annual Audit and Financial Report (special purpose financial report) of the Borough of Munhall, Allegheny County, Pennsylvania as of and for the year ended December 31, 2022, and the related notes to the financial statements, which collectively comprise the Borough of Munhall's basic financial statements as listed in the table of contents.

In my opinion, the special purpose financial report referred to above presents fairly, in all material respects, the assets, liabilities and fund equity of the Borough of Munhall as of December 31, 2022, and its revenues, expenditures and other financing sources and uses for the year then ended, in accordance with the financial reporting provisions of the Department of Community and Economic Development (DCED).

### **Basis for Opinion**

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Special Purpose Financial Report section of my report. I am required to be independent of the Borough of Munhall, and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements relating to my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

### **Emphasis of Matter – Basis of Accounting**

The special purpose financial report is prepared by the Borough of Munhall in accordance with the financial reporting provisions of the DCED, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of the DCED. As a result, the special purpose financial report may not be suitable for another purpose. My opinion is not modified with respect to this matter.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the special purpose financial report in accordance with the financial reporting provisions of the DCED. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the special purpose financial report that is free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibilities for the Audit of the Special Purpose Financial Report**

My objectives are to obtain reasonable assurance about whether the special purpose financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the special purpose financial report.

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout this audit.
- Identify and assess the risks of material misstatement of the special purpose financial report, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and EFiled Notes in the special purpose financial report.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Borough of Munhall's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the special purpose financial report.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Borough of Munhall's ability to continue as a going concern for a reasonable period of time.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

### ***Supplementary Information***

My audit was conducted for the purpose of forming an opinion on the special purpose financial statements that collectively comprise Borough of Munhall's basic financial statements. The supplementary information (Schedules 1-4) is presented for purposes of additional analysis and is not a required part of the basic financial statements. The supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the supplementary information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

### **Restriction on Use**

This report is intended solely for the information and use of the Borough's governing body, others within the Borough of Munhall, Allegheny County, and the DCED, and is not intended to be and should not be used by anyone other than these specified parties.

Sincerely,

**BOROUGH OF MUNHALL**  
**NOTES TO SPECIAL PURPOSE FINANCIAL REPORT**  
**DECEMBER 31, 2022**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**REPORTING ENTITY**

The Borough of Munhall was incorporated under the provisions governing the creation of municipal corporations in the Commonwealth of Pennsylvania. Members of Borough Council are elected by the voting public. These Council members have complete authority over the operations and administration of the Borough's activities. The major functions of the Borough include public safety, maintenance of Borough infrastructure (roads), maintenance of parks and other recreational facilities for use by Borough residents and general administrative functions necessary to facilitate Borough resident needs and responsibilities.

A reporting entity is comprised of the primary government, component units and other organizations that are included to ensure the financial statements are not misleading. The primary government of the Borough of Munhall consists of all funds, departments, boards, and agencies that are not legally separate from the Borough. As defined by generally accepted accounting standards, component units are legally separate entities that are included in the Borough's reporting entity because of the significance of their operating or financial relationships with the Borough. Based on the application of these criteria, the Borough of Munhall has no component units.

**FINANCIAL STATEMENT PRESENTATION**

The accompanying 2022 Municipal Annual Audit and Financial Report (special purpose financial report) was prepared in conformity with the accounting practices and procedures prescribed by the Commonwealth of Pennsylvania's Department of Community and Economic Development (DCED), which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. The accounting practices and procedures of the DCED permit the preparation of the special purpose financial report without certain financial statement note disclosures, management's discussion and analysis, full-accrual government-wide statements, modified accrual financial statements, and budget to actual statements, as required by accounting principles generally accepted in the United States of America. The effects on the special purpose financial report, as a result of the differences between the DCED accounting practices and procedures and accounting principles generally accepted in the United States of America, are not reasonably determinable. The most significant of the Borough's accounting policies are as follows:

**BASIS OF ACCOUNTING AND MEASUREMENT FOCUS**

The basis of accounting determines when transactions are recorded in the financial records and reported in the financial statements. The financial statements of the Borough of Munhall are presented on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America (GAAP) established by the Governmental Accounting Standards Board (GASB). Under the modified cash method, revenue is recognized at the time cash is received rather than when earned, and expenses are recognized when paid rather than when obligations are incurred. Additionally, the basis of accounting has been modified from the cash basis of accounting to present certain miscellaneous receivables, liabilities related to certain payroll liabilities, interfund obligations, and unrealized gains and losses on investments for the Borough's fiduciary funds.

**FUND ACCOUNTING**

The Borough uses funds to report on its financial position and the results of its operations during the year. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain Borough functions or activities. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts. Funds utilized by the Borough of Munhall are classified into two categories: governmental and fiduciary. Fund categories are defined as follows:

**FUND ACCOUNTING (Continued)**

**Governmental Funds** – Governmental funds focus on the sources, uses and balances of current financial resources. Expendable assets are assigned to the various governmental funds according to the purposes for which they may or must be used. Current liabilities are assigned to the fund from which they will be paid. The difference between governmental fund assets and liabilities is reported as fund balance. The following are the Borough's governmental funds:

**GENERAL FUND** - Established under 'The Borough Code' of the Commonwealth of Pennsylvania and is used for the general operations of the Borough. Income in this fund is derived mainly from assessed revenues such as real estate taxes, local taxes established under Act 511, and other miscellaneous revenues not designated for other restricted fund purposes. These revenues are used for general ongoing government services such as public safety, public works, general administration of the Borough and other miscellaneous operating expenses.

**HIGHWAY AID FUND (SPECIAL REVENUE)** - Established and restricted under Act 655 of the Commonwealth of Pennsylvania. Funding is received from the Commonwealth and is restricted in use for the maintenance, repair and construction of roads, streets, and bridges for which the Borough is responsible.

**AMERICAN RESCUE PLAN FUND (SPECIAL REVENUE)** – Established to account for funds received and utilized in connection with the American Rescue Plan. Funding is received from the Commonwealth of Pennsylvania and is restricted in use in accordance with guidelines set forth in the American Rescue Plan.

**FIRE EQUIPMENT MAINTENANCE FUND (SPECIAL REVENUE)** - Established to account for the proceeds of grants from the Department of Community and Economic Development (DCED) or other funding sources earmarked for the purpose of acquiring and/or maintaining fire related equipment utilized in connection with the Borough's public safety operations.

**PROJECT LIFESAVERS FUND (SPECIAL REVENUE)** - Established in 2013 to account for public donations earmarked to assist the Borough's public safety operations with tracking the whereabouts of special needs individuals for their protection and overall safety.

**POLICE DEA FUND (SPECIAL REVENUE)** - Established to account for funds received by the Borough's police department from the Department of Justice for allowable public safety related expenditures as outlined in an Equitable Sharing Agreement between the Borough and Department of Justice.

**MUNICIPAL CAPITAL FUND (CAPITAL PROJECT FUND)** – Established to account for proceeds from the Borough's General Obligation Bonds, Series 2020 A and B issue for capital projects. The Municipal Capital Fund was closed during 2022.

**Fiduciary Funds** – Fiduciary fund reporting focuses on net position and changes in net position. The fiduciary fund category is split into four classifications: pension trust funds, investment trust funds, private-purpose trust funds and custodial funds. Trust funds are used to account for assets held by the Borough under a trust agreement for individuals, private organizations, or other governments and are therefore not available to support the Borough's own programs. Custodial funds report fiduciary activities that are not held in a Trust or equivalent arrangement that meets specific criteria. The Borough has three pension trust funds - police and non-uniform defined benefit pension plans, and a non-uniform defined contribution plan.

**ACCOUNT GROUP**

In addition to the aforementioned funds, the Borough maintains one account group: General Long-Term Debt Account Group. The account group is used to account for long-term liabilities to be financed by governmental funds. This account group reports only the unmatured principal of the debt issued.

**BUDGETS**

In December of 2021, Borough of Munhall adopted its 2022 annual budget for its General Fund totaling \$10,955,988 in accordance with the provisions of the Commonwealth of Pennsylvania Borough Code. The budget is prepared utilizing the cash basis of accounting. Budgetary transfers among various expenditure line items are performed as necessary and as approved by Borough Council. General Fund expenditures exceeded budgeted appropriations for the 2022 calendar year. All appropriations lapse at the end of each calendar year.

The Borough uses the following procedures in establishing this budgetary data:

- a. In accordance with the Borough Code, beginning at least 30 days prior to the adoption of the budget, which shall not be later than December 31, a proposed budget for the ensuing year shall be prepared. The proposed budget shall be kept on file with the Borough and made available for public inspection for a period of ten days. Notice that the proposed budget is available for inspection is published in a newspaper of general circulation. After expiration of the ten days, Council makes such revisions in the budget as deemed advisable and shall adopt the budget by motion.
- b. Transfers of budget amounts are authorized between departments within any fund. However, any revisions that alter the total appropriations of any fund must be approved by the Council.

**CASH AND INVESTMENTS**

Cash and investments for the Borough's governmental funds include amounts in demand deposit accounts. The Borough's fiduciary fund investments include amounts invested with PNC Institutional Investments and Empower Retirement (mutual funds and government-backed securities). Investments are recorded at fair value. Provisions of the Borough Code authorize the following investments:

- I. U.S. Treasury Bills.
- II. Short-term obligations of the United States Government of its agencies or instrumentalities
- III. Deposits in savings accounts, time deposits and share accounts of institutions insured by the Federal Deposit Insurance Corporation (FDIC), Federal Savings and Loan Insurance Corporation and National Credit Union Share Insurance Fund.
- IV. Obligations of the United States of America, the Commonwealth of Pennsylvania, or any political subdivision of the Commonwealth of Pennsylvania, or any of their agencies or instrumentalities backed by the full faith and credit of the governmental units.

The historical cost of fixed assets purchased by the Borough of Munhall is not accumulated, maintained, and depreciated. Accordingly, the Borough does not maintain a General Fixed Asset Account Group.

|                       | <b>Bank Balance</b> | <b>(Memo Only)<br/>Book Balance</b> |
|-----------------------|---------------------|-------------------------------------|
| General Fund          | \$ 713,780          | \$ 201,900                          |

The difference between the bank balance and the book balance represents year-end reconciling items such as deposits in transit and outstanding checks. The Federal Deposit Insurance Corporation (FDIC) coverage threshold for government account \$250,000 per official custodian. This coverage includes checking and savings accounts, money market deposit accounts, and certificates of deposit.

**Custodial Credit Risk:**

Custodial credit risk is the risk that in the event of a bank failure, the Borough's deposits may not be returned to it. The Borough does not have a separate policy for custodial credit risk in addition to the requirements of the Borough Code. As of December 31, 2022, \$508,503 of the Borough's bank balance total with its depository is exposed to custodial credit risk as this amount represents uninsured deposits collateralized with securities held by the pledging financial institution or by its trust department or agent, but not in the Borough's name. In accordance with Act Number 72-1971 Session of the Commonwealth of Pennsylvania, the aforementioned deposits, in excess of \$250,000, are collateralized by securities pledged to a pooled public funds account with the Federal Reserve System.

**Custodial Credit Risk:**

For an investment, custodial credit risk is the risk that in the event of failure of the counterparty, the Borough will not be able to recover the value of its investments or collateral security that are in the possession of an outside party. The Borough's fiduciary fund investments in fixed income and equity securities, and mutual funds, are not exposed to custodial credit risk because their existence is not evidenced by securities that exist in physical or book entry form. The Borough does not have a specific policy that would limit its investment choices to those with certain credit ratings.

**Credit Risk:**

Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. The Borough has no formal investment policy for credit risk. The Plan is authorized to invest in legal investments permitted under the Pennsylvania Fiduciaries Investment Act. The Plan does have an investment policy with PNC Advisors specific to the allocation of investments.

**Interest Rate Risk:**

The Borough does not have a formal investment policy that limits investment maturities, other than a 60% limit on fixed income securities, as a means of managing its exposure to fair value losses arising from increasing interest rates.

**Concentration of Credit Risk:**

The Borough places no limit on the amount it may invest in any one issuer.

**Fair Value Measurements:**

The Borough of Munhall's fiduciary fund investments are reported at fair value within the fair value Hierarchy established by generally accepted accounting principles. This hierarchy *provides a* framework for measuring fair value which establishes a three-level fair value hierarchy that prioritizes the inputs to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable (level 3 measurements). The three levels of the fair value hierarchy are described below:

**Level 1** – Observable inputs that reflect quoted prices for identical assets or liabilities in active markets such as stock quotes.

**Level 2** – Includes inputs other than level 1 inputs that are directly or indirectly observable in the marketplace such as yield curves or other market data.

**Level 3** – Unobservable inputs which reflect the reporting entity's assessment of the assumptions that market participants would use in pricing the asset or liability including assumptions about risk such as bid/ask spreads and liquidity discounts.

The following schedule presents the Investments of the Borough by level within the fair value hierarchy:

|                               | Value<br>at 12/31/22        | Fair Value Measurements     |                    |                    |

The MMO includes the normal cost, estimated administrative expenses and an amortization contribution of the unfunded actuarial accrued liability, less estimated member contributions, and a credit equal to 10% of the excess (if any) of the actuarial value of assets over the actuarial accrued liability. The State provides an allocation of funds (General Municipal Pension System State Aid Program) which must be used for pension funding. Any financial requirement established by the MMO which exceeds State and member contributions must be funded by the employer.

The plan's investment income was used to fund administrative costs. There are no long-term-term contracts for contributions as of December 31, 2022. In addition, there are no assets legally reserved for purposes other than the payment of plan member benefit.
