INDEPENDENT AUDITORS' REPORT

Report on Financial Statements

I have audited the Balance Sheet, Statement of Revenues and Expenditures, Debt Statement, and Statement of Capital Expenditures and Employee Compensation included in the accompanying special purpose Commonwealth of Pennsylvania Annual Audit and Financial Report (special purpose financial report) of the Borough of Munhall, Allegheny County, Pennsylvania as of and for the year ended December 31, 2015.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of this special purpose financial report in accordance with the accounting practices and procedures prescribed by the Commonwealth of Pennsylvania's Department of Community and Economic Development (DCED), which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Borough's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Borough's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting principles used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinions

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

The Schedules are prepared by the Borough of Munhall on the basis of the financial reporting provisions prescribed or permitted by the DCED in the instructions to the Annual Audit and Financial Report to demonstrate compliance with the DCED's regulatory basis of accounting and budget laws, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of the DCED. These requirements permit the Schedules to be prepared on the cash basis of accounting without the presentation of the management's discussion and analysis, the government-wide financial statements, budget and actual information and financial statements disclosures.

The effects on the Schedules of the variances between the regulatory basis of accounting described above and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In my opinion, because of the significance of the matter discussed in the Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles paragraph, the Schedules referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of each fund of the Borough of Munhall as of December 31, 2015, or changes in financial position or cash flows thereof for the year then ended.

Opinion on Regulatory Basis of Accounting

In my opinion, the Schedules referred to above present fairly, in all material respects, the assets, liabilities and fund equity of the Borough of Munhall as of December 31, 2015, and its revenues, expenditures and other financing sources and uses for the year then ended, in accordance with the financial reporting provisions prescribed or permitted by the DCED described above.

Other Information

My audit was conducted for the purpose of forming opinions on the special purpose financial statements that collectively comprise Borough of Munhall's basic financial statements. The supplementary schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The supplementary schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records use to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the supplementary schedules are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The defined benefit trust funds' historical pension information on pages 38-39 has not been subjected to the auditing procedures applied in the audit of the basic financial statements, and accordingly, I do not express an opinion or provide any assurance on such information.

Report on Other Legal and Regulatory Requirements

This report is intended solely for the information and use of the governing body and management of the Borough of Munhall and for filing with the various local and state departments or offices and is not intended to be and should not be used by anyone other than these specified parties.

Sincerely,

Mark & Tuentey

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Borough of Munhall was incorporated under the provisions governing the creation of municipal corporations in the Commonwealth of Pennsylvania. Members of Borough Council are elected by the voting public. These Council members have complete authority over the operations and administration of the Borough's activities. The major functions of the Borough include public safety, maintenance of Borough infrastructure (roads), maintenance of parks and other recreational facilities for use by Borough residents and general administrative functions necessary to facilitate Borough resident needs and responsibilities.

The accompanying 2015 Municipal Annual Audit and Financial Report (special purpose financial report) was prepared in conformity with the accounting practices and procedures prescribed by the Commonwealth of Pennsylvania's Department of Community and Economic Development (DCED), which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. The accounting practices and procedures of the DCED permit the preparation of the special purpose financial report without certain financial statement note disclosures, management's discussion and analysis, full-accrual government-wide statements, modified accrual financial statements, and budget to actual statements, as required by accounting principles generally accepted in the United States of America. The effects on the special purpose financial report, as a result of the differences between the DCED accounting practices and procedures and accounting principles generally accepted in the United States of America, are not reasonably determinable.

The most significant of the Borough's accounting policies are as follows:

REPORTING ENTITY

A reporting entity is comprised of the primary government, component units and other organizations that are included to ensure the financial statements are not misleading. The primary government of the Borough of Munhall consists of all funds, departments, boards and agencies that are not legally separate from the Borough. As defined by GASB Statement No. 14, component units are legally separate entities that are included in the Borough's reporting entity because of the significance of their operating or financial relationships with the Borough. Based on the application of these criteria, the Borough of Munhall has no component units.

FUND ACCOUNTING

The Borough uses funds to report on its financial position and the results of its operations during the year. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain Borough functions or activities. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts. Funds utilized by the Borough of Munhall are classified into two categories: governmental and fiduciary. Fund categories are defined as follows:

Governmental Funds – Governmental funds focus on the sources, uses and balances of current financial resources. Expendable assets are assigned to the various governmental funds according to the purposes for which they may or must be used. Current liabilities are assigned to the fund from which they will be paid. The difference between governmental fund assets and liabilities is reported as fund balance. The following are the Borough's governmental funds:

<u>GENERAL FUND</u> - Established under 'The Borough Code' of the Commonwealth of Pennsylvania and is used for the general operations of the Borough. Income in this fund is derived mainly from assessed revenues such as real estate taxes, local taxes established under Act 511, and other miscellaneous revenues not designated for other restricted fund purposes. These revenues are used for general ongoing government services such as public safety, public works, general administration of the Borough and other miscellaneous operating expenses.

FUND ACCOUNTING (Continued)

<u>HIGHWAY AID FUND</u> (SPECIAL REVENUE) - Established and restricted under Act 655 of the Commonwealth of Pennsylvania. Funding is received from the Commonwealth and is restricted in use for the maintenance, repair and construction of roads, streets and bridges for which the Borough is responsible.

POLICE DEPARTMENT GRANT FUND (SPECIAL REVENUE) - Established to account for the proceeds of grants from the Department of Community and Economic Development (DCED) or other funding sources earmarked for the purchase of equipment and supplies to enhance the Borough's police department operations.

FIRE EQUIPMENT MAINTENANCE FUND (SPECIAL REVENUE) - Established to account for the proceeds of grants from the Department of Community and Economic Development (DCED) or other funding sources earmarked for the purpose of acquiring and/or maintaining fire related equipment utilized in connection with the Borough's public safety operations. This Fund maintained a deficit fund balance of \$9,469 as of December 31, 2014.

<u>CEMETERY FUND</u> (SPECIAL REVENUE) - Established in 2015 to account for public donations to be used for maintenance of the Homestead Cemetery.

PROJECT LIFESAVERS FUND (SPECIAL REVENUE) - Established in 2013 to account for public donations earmarked to assist the Borough's public safety operations with tracking the whereabouts of special needs individuals for their protection and overall safety.

POLICE DEA FUND (SPECIAL REVENUE) - Established to account for funds received by the Borough's police department from the Department of Justice for allowable public safety related expenditures as outlined in an Equitable Sharing Agreement between the Borough and Department of Justice.

<u>WAR MEMORIAL FUND</u> (SPECIAL REVENUE) - Established to account for public donations received by the Borough for the establishment and maintenance of a war memorial honoring Borough of Munhall military veterans who served in the U.S. armed forces.

<u>Fiduciary Funds</u> – Fiduciary fund reporting focuses on net position and changes in net position. The fiduciary fund category is split into four classifications: pension trust funds, investment trust funds, private-purpose trust funds and agency funds. Trust funds are used to account for assets held by the Borough under a trust agreement for individuals, private organizations, or other governments and are therefore not available to support the Borough's own programs. Agency funds are custodial in nature and do not involve measuring income or any other results from operations. The Borough has two pension trust funds (police pension and non-uniform pension) and an escrow fund to manage developer fees for engineering costs and other professional costs incurred for site plan review and permits.

ACCOUNT GROUP

In addition to the aforementioned funds, the Borough maintains one account group: General Long-Term Debt Account Group. The account group is used to account for long-term liabilities to be financed by governmental funds. This account group reports only the unmatured principal of the debt issued.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

BASIS OF ACCOUNTING

Borough of Munhall utilizes the cash basis of accounting. Under this method revenues are recorded when cash is received rather than earned. Expenditures are recorded when the disbursement is made rather than when the obligation is incurred.

The budget is prepared utilizing the cash basis of accounting. Budgetary transfers among various expenditure line items are performed as necessary and as approved by Borough Council. All appropriations lapse at the end of each calendar year. General Fund expenditures exceeded budgeted expenditures for calendar year 2015.

CASH AND INVESTMENTS

Cash and investments for the Borough's governmental funds include amounts in demand deposit accounts. The Borough's fiduciary fund investments include amounts invested with PNC Institutional Investments (mutual funds and government-backed securities). Investments are recorded at fair value. - **II.** Short-term obligations of the United States Government of its agencies or instrumentalities
- **III.** Deposits in savings accounts, time deposits and share accounts of institutions insured by the Federal Deposit Insurance Corporation (FDIC), Federal Savings and Loan Insurance Corporation and National Credit Union Share Insurance Fund.

- V. Shares of an investment company registered under the Investment Company Act of 1940, and registered under the Securities Act of 1933.
- VI. Any investment authorized by 20 Pa. C.S. Ch. 73 relating to fiduciaries investments.

SHORT-TERM INTERFUND RECEIVABLES/PAYABLES

During the course of operations, numerous transactions occur between individual funds for goods provided or services rendered. These receivables and payables are classified as 'due from/to other funds' on the balance sheet.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Property tax and earned income tax revenues are recognized based on the amounts levied to the extent collected during the year. Interest and penalty charges accrued on unpaid taxes are recognized as revenue when received.

TOTAL COLUMNS

Total columns in the 2015 Municipal Annual Audit and Financial Report are captioned "Memorandum Only" to indicate that they are presented only to facilitate financial analysis. Data in these columns do not present financial position, results of operations, or changes in financial position in conformity with accounting principles generally accepted in the United States of America. Neither is such data comparable to a consolidation. Interfund eliminations have not been made in the aggregation of this data.

As of December 31, 2015, \$593,378 of the Borough's bank balance total with Citizen's Bank is exposed to custodial credit risk as this amount represents uninsured deposits collateralized with securities held by the pledging financial institution or by its trust department or agent, but not in the Borough's name. NOTE 6 - BOROUGH PENSION PLAN (Continued)

FUNDING REQUIREMENTS

Act 205 (as amended) requires that annual contributions be based upon the Minimum Municipal Obligation (MMO), which is based on the Plan's biennial actuarial valuation. The MMO includes the normal cost, estimated administrative expenses and an amortization contribution of the unfunded actuarial accrued liability, less estimated member contributions, and a credit equal to 10% of the excess (if any) of the actuarial value of assets over the actuarial accrued liability. The State provides an allocation of funds (General Municipal Pension System State Aid Program) which must be used for pension funding. Any financial requirement established by the MMO which exceeds State and member contributions must be funded by the employer.

The plan's investment income was used to fund administrative costs. There are no long-term-term contracts for contributions as of December 31, 2015. In addition, there are no assets legally reserved for purposes other than the payment of plan member benefit.

NOTE 7 – RISK MANAGEMENT

Borough of Munhall is exposed to various risks of loss related to tort; theft of, damage to, and destruction of assets, errors and omissions; injuries to employees; and natural disasters. These risks are covered by commercial insurance purchased from independent third parties. Settled claims for these risks, if applicable, have not exceeded commercial insurance coverage for the past three years.

NOTE 8 - CONTINGENT LIABILITIES

LEGAL MATTERS

The Borough of Munhall is a party to various legal actions normally associated with municipalities, the aggregate effect of which, in management's and legal counsel's opinion, would not be material to the financial position of the Borough of Munhall.

STATE FUNDING

The Borough of Munhall's state funded programs (Liquid Fuels, General Municipal Pension State Aid) are subject to audit by various governmental agencies. The Borough is potentially liable for any expenditure disallowed by the results of these audits. Management is not aware of any material items of noncompliance which would result in the disallowance of program expenditures.

COMPLIANCE MATTERS

Payroll records for the Borough of Munhall were destroyed for calendar years 2011 and 2012. Accordingly, it was not possible to determine if the payroll tax returns and related liabilities were properly filed and paid with the respective taxing bodies. In June of 2016, the Internal Revenue Service sent a 'payment due' notice to the Borough for approximately \$83,824 related to calendar year 2011. In addition, certain payroll records were missing for the first six months of calendar year 2013 which necessitated the Borough having to reconstruct year-end tax reporting information (W-2s).

NOTE 8 - CONTINGENT LIABILITIES

COMPLIANCE MATTERS (Continued)

In June of 2016, the Internal Revenue Service sent a 'payment due' notice to the Borough for approximately \$11,181 related to the quarter ended June 30, 2013. The Borough also received notice in June of 2016 from the Internal Revenue Service, that information reported on their W-2s for calendar year 2013, did not match information reported by the Borough on their quarterly federal payroll tax Form 941s also submitted to the IRS, possibly as a result of the incomplete information for the first half of calendar year 2013. This notice indicates that the Borough could be potentially assessed an additional tax increase of \$43,718 plus a penalty in the amount of \$50,262. Management is currently attempting to reconstruct payroll information necessary to resolve this matter for submission to the appropriate federal taxing agencies.

NOTE 9 - SUBSEQUENT EVENTS

BOROUGH OF MUNHALL NOTES TO REQUIRED SUPPLEMENTARY INFORMATION DECEMBER 31, 2015

NOTE 1 - TREND INFORMATION

The comparability of trend information is affected by changes in actuarial assumptions, benefit provisions, actuarial funding methods, accounting policies, and other changes. Those changes usually affect trends in contribution requirements and in ratios that use the actuarial accrued liability as a factor.

Analysis of the dollar amount of the actuarial value of assets, actuarial accrued liability, and unfunded (assets in excess of) actuarial accrued liability in isolation can be misleading. Expressing the actuarial value of assets as a percentage of the actuarial accrued liability provides one indication of the plan's funding status on a going-concern basis. Analysis of this percentage, over time, indicates whether the system is becoming financially stronger or weaker. Generally, the greater this percentage, the stronger the plan.

Trends in unfunded (assets in excess of) actuarial accrued liability and annual covered payroll are both affected by inflation. Expressing the unfunded (assets in excess of) actuarial accrued liability as a percentage of annual covered payroll approximately adjusts for the effects of inflation and aids analysis of the plan's progress made in accumulating sufficient assets to pay benefits when due. Generally, where there is an unfunded actuarial accrued liability, the smaller this percentage, the stronger the plan. However, when assets are in excess of the actuarial accrued liability, the higher the bracketed percentage, the stronger the plan.

NOTE 2 - ACTUARIAL ASSUMPTIONS AND METHODS

The information presented in the preceding required supplementary information section was determined as part of the actuarial valuations dated January 1, 2015. Additional information included as part of these valuations applicable to both the police and non-uniformed pension plans is as follows:

Actuarial Cost Method - Entry Age Normal

Amortization Method – Level Dollar, Open (Police) Level Dollar, Closed (Non-Uniformed)

Remaining Amortization Period – 17 years (Police) 3 Years (Non-Uniformed)

Asset Valuation Method – 4-Year Smoothing

Investment Rate of return - 7.5% per annum

Salary Increase - 5.5% (Police) and 5.0% (Non-Uniformed) per annum
